Amend Chapter 8, Table 803.44 by adding a footnote “j e” that reads:

**Note j e:** See 803.1.1.1 for limitations on the use of any interior finish foam plastics when utilized in an A-2 occupancy.

**DEFENSE:**

Plastic interior finishes are argued and tragically demonstrated to present a risk in an unsprinklered A-2 USE / This footnote assists the Reader by cross-referencing to the appropriate specific controlling language regarding the use of foam plastic interior finishes in A-2 USES
